Tuition Form

Student's Name: _____

Islesford Boatworks depends on tuitions and donations to run each year. The full tuition payment of \$90 per week helps to pay for fun things like boat building supplies and educational materials, and also for the boring things like insurance and electric bills.

At the same time, we have a guiding principle that no child should miss out on boatworks because of money. If you feel that you cannot afford the full amount, please write in the amount that will work best for you.

Please check one box:

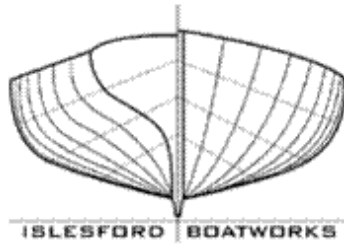

- Full tuition of \$90 per week
- Other amount of _____ per week
- Give a donation in lieu of weekly tuition

We are open to any type of plan, in order to best fit your needs. Please let us know what payment schedule works best for you.

Please check one box:

- Weekly payments
- One lump payment (at the beginning or the end of the program)
- Other _____

Please contact Peyton Eggleston if there are any questions or concerns about payment.
